## [DVD Review: My Favorite MILF](#)

Video Links: [DOWNLOAD](#) [STREAM](#)

Produced by: [Power House Ltd.](#) and [Directed By Bobby Rinaldi](#)

A couple notches up the quality ladder from "MILF Money," you'll find this "forty-is-the-new-twenty" title. It's not a must-see by any means, but it does feature some excellent examples of women who are able to maintain fuckability well into their later years. Five different scenes contain five different mini-plots that usually revolve around some kind of cheating activity or sex in return for someone's job. You might want to skip over Adam Wood's efforts in the second scene with Cheyenne Hunter. Fuck, if I wanted to hear two people talk this much during sex, I'd rub one out to "Regis and Kelly."

## [Delarosa in My Favorite MILF](#)

Unless you're some kind of porn rookie, you know full well that when somebody says, "I'll do anything," somebody is about to get fucked. That somebody in this case is Dino Bravo. It seems that Delarosa recently fired the hapless hero from his coveted position. Guess what he has to do to get his job back? That's right: anything. From toe licking to plowing her MILF ass, Dino does it all. He's a jack-of-all-trades when it comes to sex. Maybe if he applied skills like these to his job, he wouldn't have been fired in the first place. It looks like Delarosa will be more than willing to offer him a favorable performance review after he drops a few loads on her tongue.

## [Cheyenne Hunter in My Favorite MILF](#)

It always creeps me out to see Adam Wood in anything other than BTS. He's not an on-screen kind of guy. At best, he's a PM that doesn't completely sketch out the talent, because he's so non-threatening. To see him actually hold down a scene with an aggressive porn whore like Cheyenne is a fish out of water situation. It makes even less sense than why she starts sucking his dick in the first place. I must have missed the part where her utter disgust turns to unbridled sexual desire. Cheyenne must go blind whenever a cock pops out, like one of those horses they use to pull carriages. She just focuses on the dick and does whatever her pussy tells her to do. Personally, I wish it would tell her to shut up. This scene would be decent if it weren't for the running dialogue.

## [Mae Victoria in My Favorite MILF](#)

**Video Links:** [DOWNLOAD](#) [STREAM](#)

**Porn Stars:** [Mae Victoria](#)

**Produced by:** [Power House Ltd.](#) and [Directed By Bobby Rinaldi](#)

This is like a scene out of a soap opera or at least a trashy romance novel. You've got a classically sexy Mae, who looks like the colorized version of Ginger Rogers. Her face is so porcelain that she could do Oil of Olay® commercials. Then you have Trevor Thompson. He's the husband's best friend with excellent timing. It's a classic affair with all of the artistry taken out in favor of gratuitous nudity and hardcore sex. In fact, the closest thing to artistry that you will find in this scene is these two performing the "flying analator." Normally done as a tandem between Steve Holmes and Manuel Ferrara, Trevor shows that he can support the solo act as Mae bounces in disbelief.

## [Kelly Leigh in My Favorite MILF](#)

**Porn Stars:** [Kelly Leigh](#)

If AVN gave an award for "Most Awkward Sex Scene," this would certainly be a nominee. There's nothing smooth about it. Either Kelly has no idea what she's doing or Rod keeps changing the game plan on her. Maybe they're both just too old to care anymore. There seems to be a conspicuous lack of spring in their steps. If I didn't know any better, I'd say that one or both of them is drunk. And their behavior isn't even the funniest part of this shit show. Rod's shoes turn out to be quite an issue in this one. Really, the only thing I have issue with is that his socks are nearly as long as Kelly's stockings. Now over the years, I've known Rod to be quite a number of things - but a cross dresser is not one of them.

## [Syren De Mer in My Favorite MILF](#)

**Video Links:** [DOWNLOAD](#) [STREAM](#)

**Porn Stars:** [Syren De Mer](#)

**Produced by:** [Power House Ltd.](#) and [Directed By Bobby Rinaldi](#)

For a mother who is trying as hard as Syren De Mer, Trent seems awfully ambivalent about hooking up with her. She's practically naked by the time he's like, "OK. I guess." That may be a product of her average MILF looks. Syren isn't traffic stopping hot. She's more like a school crossing or yield sign. Sure, you notice them and occasionally obey, but most of the time you just slow down for a peek and cruise right by that shit. To be honest, that's kind of how I feel about this scene. It's not bad, but it doesn't stand out in any way. Like a good table wine, it'll get the job done. Just don't bust it out when company is over - thinking your friends will be impressed with your taste.

I apologize in advance to any of you MILF enthusiasts out there, but there is nothing more pathetic than an aging whore still clinging to dreams of porn stardom by doing movies like this. Actually, there is. Thirty and forty-something sluts who use the adult industry as justification for their inability to satisfy their sexual fantasies in the civilian world.

This BTS should be used as a warning to all the mid-twenties porn whores out there who don't plan for their future. If you're not careful, you'll end up still getting fucked in your ass when you're forty and not be a single brain cell smarter. In fact, I'm positive that these chicks are getting more and more retarded with age.
